Gentlemen:

A random dumping site located east of Avenue "O" between 116th and 118th Streets was reinspected on December 18, 1975, by Robert Wengrow, representing this Agency.

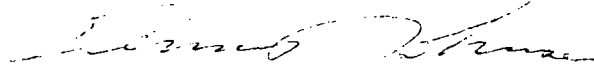

As indicated in our previous correspondence, the continued existence of this dump is presumed to be a violation of Public Act 78-837, "The Illinois Litter Control Act". Such unsightly dump sites as this not only invite further illegal dumping, but harbor rodents and other vectors and are a totally unnecessary blight for the entire area.

Inasmuch as you are the local law enforcement official, and are authorized to enforce the Litter Control Act, we are again referring this matter to you. Your cooperation in eliminating this dumping site will be appreciated.

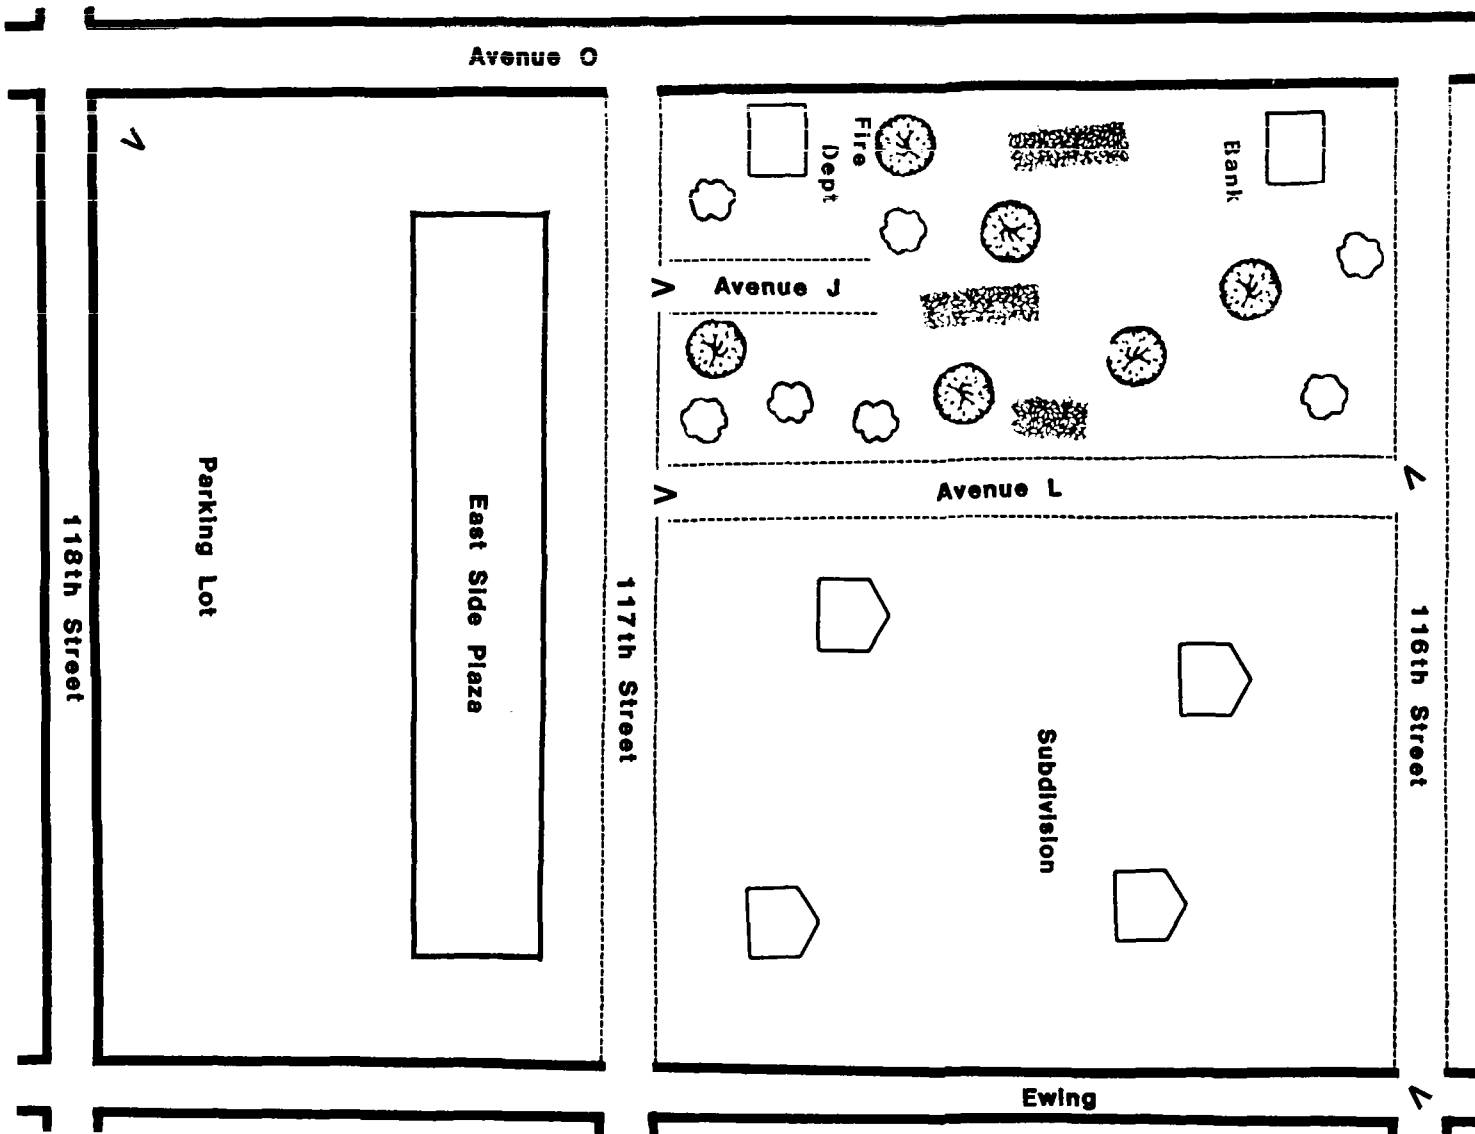

If you have any questions regarding this matter, please feel free to contact Mr. Wengrow at the above noted number.

Very truly yours,

ENVIRONMENTAL PROTECTION AGENCY
